

ACKNOWLEDGEMENTS

National Productivity Council (NPC) places on its record its sincere gratitude to the management of National Hydroelectric Power Corporation Ltd for the confidence reposed on the Council for conducting this modification in EIA and EMP Report of Dibang Multipurpose Project.

It is in deed a very rich experience for our consultants to get engaged with this prestigious hydel project. NPC would like to express its grateful appreciation and sincere thanks to Shri A. K. Nauriyal, Sr. Manager (Civil) Dibang Multipurpose Project for his excellent guidance during the course of the study.

We also sincerely thanks Shri Om Prakash, Former Chief Engineer (I/C), Dibang Multipurpose Project and Dr. (Mrs.) Usha Bhat, Chief (Environment), Corporate Office, Faridabad for their guidance of highest degree on deciding the scope of the study.

We are grateful to Shri Tapas Sinha, Former Chief Engineer (Civil), Dibang Multipurpose Project, for his excellent co-operation extended during the field studies carried out and Dr. Shahid Ali Khan, Sr. Manager (Environment), Corporate Office Faridabad for guiding us in the study at different stages.

We record our sincere thanks to Shri Gaurav Kumar, Asstt. Manager (Environment), Corporate Office Faridabad and Shri Ajay Kumar Jha, Environment Officer, Dibang Multipurpose Project for the productive co-operation extended during the survey and preparation of report, and arranging various fruitful discussions without which this study could not have been successfully completed.

We also thank Md. Manzer Alam, Engineer (Civil) and Shri Sayandev Mitra, Surveyor for the assistance extended to us in various mapping and survey work related to the study. We are also grateful to all other site engineers who have helped us during the field survey work at various stages of the study.

We foresee that NHPC Dibang Project becomes a centre of excellence for Environmental management throughout the country.

Guwahati,

Anjan Thakur,
Regional Director

REASSESSMENT OF BIODIVERSITY

Biodiversity aspects and Biodiversity Conservation & Management Plan of EIA & EMP of Dibang Multipurpose Project was reassessed by DR. K. HARIDASAN, Ex-Scientist, State Forest Research Institute, Itanagar (Presently, Joint Director, Foundation for Revitalisation of Local Health Traditions, Bangalore) on the basis of field survey to project area and feedback / suggestions received during the workshop held at Itanagar in October 2008, which was attended by various scientists working in the region. These chapters were further reviewed by DR. P. K. HAJRA, Ex-Director, Botanical Survey of India.

SOCIO-ECONOMIC SURVEY AND REHABILITATION & RESETTLEMENT PLAN

Socio-economic Survey was undertaken by a Nodal Group of Dibang Multipurpose Project by carrying out resurvey in the project affected area and thereon R&R Plan was formulated in line with State R&R Policy, 2008 of Arunachal Pradesh.
